DROPPED OUT

Positions & Quotes

"I do not shy away from the opportunity to work with my Republican colleagues on this issue. That is why I worked with Republican Congressman Carlos Curbelo to introduce a bill that would ban bump stocks and any other device that essentially turns a semi-automatic weapon into a machine gun, which is what the shooter in Vegas did."

<p>"And whether it's declaring a national emergency or pursuing executive action, I will do whatever I can to actually make progress on this gun violence plague in America,"</p>	<p>Sentinel & Enterprise</p>
<p>"Well, look, that's a discussion we should have and a debate we should have in the United States. The fact of the matter is handguns cause a lot of deaths around the country and we can have a good debate about whether they should be allowed to be free."</p>	<p>Free Beacon</p>
