"Gun safety regulations are NOT an attack on the Second Amendment. They do NOT mean that someone is coming to get your guns."

[Marianne Williamson Facebook](#)

<p>"On guns: I support the 2nd amendment rights, however we know they were talking about a well organized militia. We don't have gun safety legislation because it cuts in to the short term profits of gun manufacturers. That is immoral. That is obscene." (April 14, 2019)</p>	<p>Twitter</p>
<p>"The issue of gun safety, of course, is that the NRA has us in a chokehold."</p>	<p>7/30 Debate</p>
<p>"We need universal background checks. Outlaw bump stocks, close loopholes, ban AR 15s and bullets needed to shoot them. All of us must show up now. ONLY support politicians willing to stand up to the NRA."</p>	<p>LA Times</p>
