Positions & Quotes

Push for strong gun safety laws at the state level for the promotion of industry-wide standards in gun safety, including micro-stamping.	OnTheIssues.org
Led the effort to divest public pension funds holdings in companies that manufacture the most dangerous weapons	OnTheIssues.org
"We have an obligation to all students...We've got to show that measures are being taken for safety right now."	The Wall Street Journal
"20 years later. 7 miles from Columbine. 0 actions taken in Washington to protect kids from gun violence. This is sickening. We have to keep demanding action even when it feels like we're screaming into a void. GUN CONTROL NOW." (May 7, 2019)	Twitter
